

Equipped with technology solutions to support your *telehealth* needs

Our language interpretation solutions are able to integrate with your platforms and provide **unlimited concurrent sessions**. We are also **multi-party visit compatible**.

With our seamless integration process, our interpreters join your call in your telehealth or EHR platform without the hassle of additional software or complicated procedures.

Compatible with *your* telehealth and EHR platforms:

DOXY.ME | TELEDOK | VSEE | AMERICANWELL | SUNRISE | EPIC | MYCHART | CERNER | MEDTECH | AND MORE...
